General Notes

1. Each deactivation and discontinuance must be approved by the SUNY Provost.
2. If a proposed discontinued program is the sole program in a [HEGIS disciplinary area](#) at a campus, discontinuance [requires approval of the SUNY Board of Trustees](#), but the campus retains its master plan authority in that HEGIS disciplinary area, and the re-introduction of programs in that HEGIS disciplinary area would not require a Master Plan Amendment.

Definitions

Deactivation: A campus decides not to admit any new students to a program but wishes to maintain the program's registration. This may be done to reassess the need for the program or restructure the program or allow currently enrolled students to graduate. This action is internal to SUNY and limited in duration to no more than three years, by which time the program must be reactivated or discontinued.

Deactivation Effective Date: The first regular admission date for which new students will no longer be permitted to enroll in the program.

Discontinuance: A campus decides to stop offering a program and awarding a credential for its completion. After SUNY's review and approval, the program is removed from the State Education Department's *Inventory of Registered Programs* after all continuing students have completed it.

Discontinuance Effective Date: The last graduation date for which a credential for completion of the program is awarded. (SOURCE: [Memorandum to Presidents](#), Vol. 83, No. 11, dated August 26, 1983)
